

**School Summary Report
Lyman Elementary School
March 2016**

Dear Parents,

The School Improvement Council and the faculty and staff of Lyman Elementary School have prepared this Summary Report for you and the community members interested in our school. It is our belief that we are all stakeholders in the educational lives of every student at Lyman Elementary School. Through innovative and challenging educational experiences, we strive to meet the individual needs of our students. We appreciate your support and value your input. We encourage you to let us know of any questions or suggestions you may have concerning these activities.

This report provides you with important information related to the 2014-2015 school year. It lists activities and programs that have been implemented and some "highlights" from our last year. We have also included additional information listing our school's programs and opportunities for students.

We believe in setting high expectations and are proud of our students and their accomplishments. Working together, we will strive to continue to provide even greater opportunities for our students in the future. Thank you for the valuable part you play in this educational success.

Our "Pride" Continues to Show at Lyman

Lyman Elementary opened its doors to students on August 19, 2008. Since then our students, teachers, parents, and community have been working together to make Lyman the best school it can be for every child that enters our doors.

Each school year brings many challenges, but it also brings many rewards. As you read this report you will see that we continue to accomplish much together here at Lyman. This report will allow you to read about how our pride continues to show.

We would like to report on our goals from this past year and what we will strive for in the future as we continue to "Show our Pride" in our school and with our school family.

The number one goal at Lyman Elementary will always be student achievement. We continue to perform assessments on our students through the Fontas and Pinnell Benchmark System, running records, math benchmark tests, and Measures of Academic Progress (MAP) Testing. Also, a state assessment, ACT Aspire, was administered to our 3rd and 4th grade students in the spring of 2015 along with SC PASS in Science and Social Studies for our 4th grade students. These assessment measures allow us to get a picture of our student's progress and meet their individual needs. We have included a breakdown of MAP, ACT Aspire, and PASS data at the end of this narrative. Please note that our boys and girls made significant growth from fall to spring on MAP and on the other standardized tests. Our school received an Excellent Absolute Performance Rating and an Excellent Growth Rating on our State Report Card. The Lyman faculty and staff will continue to work hard every day to better serve your students in meeting their academic needs. Because of the hard work of our students and teachers, our school has been awarded Palmetto Gold and Silver Awards for Absolute Performance and for Closing the Achievement Gap.

We provide many opportunities for student leadership and growth in areas other than academics. Some examples of student opportunities

are: Pride Patrol, Flag Helpers, Chorus, Student Council, Terrific Kids, and several Service Learning Projects.

We are blessed to have outstanding parental support which offers a number of opportunities for families and the school to collaborate. For example, "Spirit Nights" at different restaurants in our area, Walk to School Day, our Holiday Program, our annual Evening with the Arts, Deck the Halls with Santa Claus, and our Spring Prowl Festival just to name a few. In the future, we will expand these opportunities and involve an even greater number of parents and community members.

Our goal is to be the best possible school we can be. We would be remiss if we did not thank everyone who works so hard to make this success possible. Thanks so much for your support as we move to set our sights on the future of our school and school community.

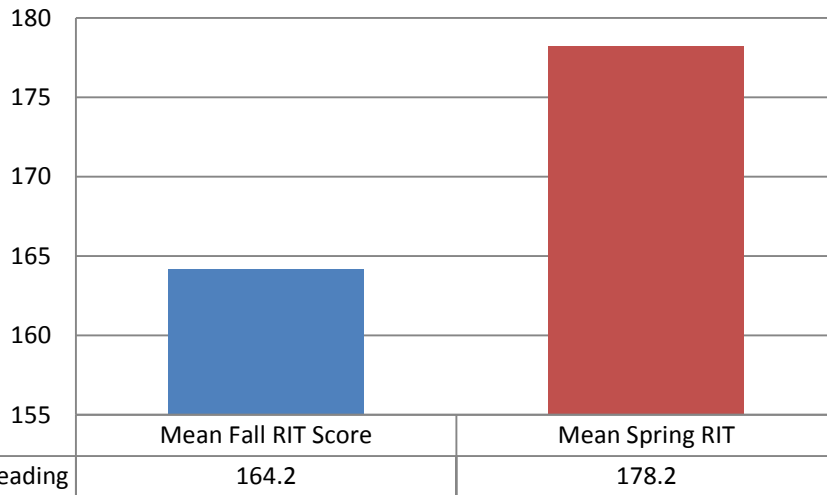

Thank you for helping to make Lyman Elementary the best school for every child every day.
