

# D.R. HILL

TIGERS ROARING  
TO SUCCESS

## What is TSA?

TSA (Technology Student Association) is an after-school program open to all seventh and eighth graders who are willing to work, seek excellence, have good behavior, and who want to be a member of a winning team.

TSA has hands-on individual and group activities which are set to National STEM (Science, Technology, Engineering, and Math) standards and supports the Career Clusters. TSA is designed to promote leadership, teamwork, responsibility and technical excellence all while supporting academics.

TSA Mission Statement: The Technology Student Association fosters personal growth, leadership, and opportunities in technology, innovation, design, and engineering. Members apply and integrate science, technology, engineering, and mathematics (STEM) concepts through co-curricular activities, competitive events, and related programs.

More information can be found at [www.tsaweb.org](http://www.tsaweb.org) or email me at [Nicole.mckee@spart5.net](mailto:Nicole.mckee@spart5.net)

## What does TSA cost?

The cost of joining TSA is \$25. This covers State and National dues and materials.

## TSA Competitions

There are many competitions that can be completed online this year. The State and National Conferences are usually held in the spring and summer. Our attendance at these events will be contingent upon Spartanburg School District Five guidelines when the time arrives.

## DRH TSA:

DRH TSA will meet Monday or Tuesday (depending on your hybrid schedule) after school and works on hands-on individual and team projects. Some examples of projects are flight, dragsters, bridge building, digital photography, game making, communication, and promotional design. These are just a few of the projects you can choose from. There is something for everyone.

Meetings will end promptly at 4:00 p.m.

DRH TSA is open to any DRH student willing to work and who has good behavior.

Our first meeting will be Monday, October 5 for A Schedule students and Tuesday, October 6 for B Schedule students. Students in the virtual academy are invited to attend via Zoom for either the Monday or Tuesday meeting. Virtual meetings may begin after a few meetings

depending on interest.

To become a member of the DRH TSA you must exhibit good behavior and be willing to work.

If you are interested in joining, please complete the form below and return it with cash or check made payable to D.R. Hill Middle School.
