

Hello Rebels!

As you are aware District Five is moving into Phase 5 of our Road to Reopening Plan. This means that all BHS and BFA students, with the exception of those in the virtual academy, will return to in person instruction on November 24. This will be the first time since March 13, 2020 that we have had all students in the building at the same time. We feel that this transition will positively impact the students academically. With that being said, we will continue taking all of the necessary precautions in order to protect ourselves and others from the COVID-19 virus. Our school and district have put the following safe guards in place:

- Mandated mask wearing for students and employees
- Adjusted bell schedule to ensure social distancing during the lunches
- Plexiglass dividers in every class
- Bottle-fill stations that have replaced the water fountains
- Hand sanitizing stations throughout the campus

We ask that you adhere to our requirements of wearing a mask, washing your hands regularly, social distancing when possible, and staying at home when you don't feel well. Our number one concern is the safety and wellbeing of everyone in this building, but we need your help ensure that we slow the spread of COVID- 19.

Go Rebs!

Todd Hardy, Principal
